Electives	4	Electives	4	Electives	4			
Electives	2	Electives	4					
Total Units	20		20		16			56

Total units 180

NOTES

- This is a sample program plan. Your program plan will differ depending on previous credit received, your course schedule, selection of lower division writing, and available offerings.
- Students are strongly advised to work with an academic counselor to determine a personal program plan.
- Students who receive credit for courses taken prior to matriculation may be able to reduce their courseload or avoid taking summer classes if they have enough elective units to graduate.
