Dear New Social Sciences Student,

On behalf of the faculty and staff in the School of Social Sciences, I would like to congratulate you on your acceptance to UCI and the School of Social Sciences. An important component of your academic success is the careful selection of courses appropriate to your educational goals. To ensure that you enroll in the appropriate courses, complete the following steps:

1. **SUMMER ACADEMIC ADVISING:** To assist in planning your Fall Quarter schedule, refer to the enclosed information about **MANDATORY** advising sessions. You only need to attend **ONE** orientation/advising session over the summer. It is imperative that you receive academic advising since you will be enrolling into your Fall courses with an advisor.

2. **BEFORE ADVISING:**
   - Complete the **Statement of Legal Residence:** [http://www2.reg.uci.edu/slr/](http://www2.reg.uci.edu/slr/)
   - Ensure that all official transcripts and any exam scores such as, AP, IB, SAT have been received by the UCI Office of Admissions by July 15th. You can check “My Admissions” under ‘My Schools’ and ‘My Tests’ to review which transcripts/test scores have been received, and which ones are still required.
   - Make copies of official exam scores and any college transcripts if applicable and bring them to orientation. Proof of scores may be required for enrollment in certain courses.
   - **READ** the **Transfer Zot Start:** [http://www.students.uci.edu/transferzotstart/](http://www.students.uci.edu/transferzotstart/)
     This will provide you with some things you need to know about UCI and your academic career before you come to campus for advising.
   - **REVIEW** UCI General Catalogue: [http://www.editor.uci.edu/catalogue/](http://www.editor.uci.edu/catalogue/)
     UCI uses an electronic catalogue that can be found at
     Note: The 2012-2013 catalogue will be ready in mid June.
   - **READ** the **New Student Checklist:** [http://www.newstudents.uci.edu/](http://www.newstudents.uci.edu/)
3. **PAY FEES:**  [https://zotaccount.uci.edu/](https://zotaccount.uci.edu/)

   All student billing must be accessed via the e-billing system at Fees must be received by the Cashier’s Office by September 17th at 4:00pm (if paying in person) or 5:00pm (via online payment) to maintain your enrollment. If the payment is late, you will be dropped from all your classes.

4. **DOUBLE CHECK:** Access WebReg at noon on September 20th to verify course enrollments, times, and locations.

5. **WELCOME WEEK:** September 24th through September 26th is “UCI’s Welcome Week”. Below are some important events:

   - **Campus-wide Transfer Student Welcome on Tuesday, September 25th at 1:00pm.**
   - Get your UCI Student ID card from UCItems located in the UCI Student Center.
   - Buy your course books at the UCI Bookstore.
   - Instruction begins on **Thursday, September 27th**

6. **FACEBOOK:** Become a Fan of the School of Social Sciences by going to: [http://www.facebook.com/ucisocialsciences](http://www.facebook.com/ucisocialsciences)

7. **UCI Transfer Student Center (TSC):**  [http://www.transfercenter.uci.edu/](http://www.transfercenter.uci.edu/)

   The UCI TSC works with new and returning transfer students to facilitate their transition and overall success at UCI by directing them to appropriate sources of advice and campus services, weekly workshops, formal and informal mentoring, and providing a space for study.

If you have questions about any of the above information, please visit the Social Sciences Undergraduate Student Affairs website at [http://undergraduatestudies.ss.uci.edu/ugs_usa](http://undergraduatestudies.ss.uci.edu/ugs_usa) for more up-to-date information or contact a Social Sciences academic advisor at (949) 824-6803 or by email at socsci@uci.edu. We look forward to seeing you this summer and wish you success in your academic career at UCI!

Sincerely,

Mark P. Petracca
Associate Dean for Undergraduate Studies

**WHAT IS A UCInetID?**

Your UCInetID is your key to online services at the University of California, Irvine. Many online services, including Webmail, WebReg, EEE, and numerous others, require you to use your UCInetID and password in order to log in.

Your UCInetID is for your individual use only. Do not share your password with anyone.

Activate your UCInetID:  
[http://activate.uci.edu/activate/menu.html](http://activate.uci.edu/activate/menu.html)

- You will need your Student ID number (8 digits), date of birth, and the last 4 digits of your Social Security number.

**WEBMAIL (E-mail)**

To access your UCI email account, you must first activate your UCInetID. Note that all official notices and emails will be sent to this email address.

- Login with your UCInetID and password.

**E-mail ETIQUETTE**

Here are some tips on how to use email most effectively to communicate with academic counselors (and other UCI personnel).

1. Use your UCI email address (for UCI correspondence). To protect your privacy, many UCI offices will only respond to messages from UCI e-mail accounts.

2. Identify yourself. When you send an email to an academic counselor, be sure to include your FULL-NAME, your MAJOR, and your UCI ID NUMBER. We need to know who we are talking to in order to give you accurate information.

3. Be considerate. Do not send the same question to more than one person in an office. There’s no reason for three or four different people to answer the same question!

4. Check your email regularly. Lots of important information (some of it essential to your success as a student) will be sent by professors, academic counselors, and other UCI personnel. YOU are responsible for reading all official UCI emails sent to your account, and YOU will suffer the consequences if you miss important messages.

5. Be clear and concise. Try to keep email messages brief.

6. Be flexible. Some advising issues really need to be handled in person. Do not be offended if we ask you to make an appointment to discuss your questions—we do this to avoid wasting your time and ours with back-and-forth questions and answers that could be handled more quickly in person.

7. Delete unwanted/old messages. If you do not read your UCI email regularly and clear out old messages and spam, your inbox will fill up and important email messages may be returned and undelivered.

8. Be professional. Treat emails as a formal communication—do not use text messaging abbreviations, slang, four-letter words, etc. if you want to be taken seriously. Watch your grammar, spelling, etc.

9. Be nice. Keep the tone of your email civil. It is very easy for us (and your professors) to forward email and to print it off and put it in your file—it is not anonymous. DO NOT WRITE YOUR EMAIL MESSAGES IN ALL CAPITAL LETTERS. This is incredibly annoying and is often perceived as being hostile or confrontational.

10. Be patient. Sometimes you may get a response immediately, while at other times it may take a few days since we are often very busy. If you are really in a hurry to get an answer, drop by or call the office.
SCHEDULE OF CLASSES (WebSOC)

- Schedule of Classes is accessible from http://www.reg.uci.edu. Available online in Week 6 for the upcoming academic quarter.

- To find:
  
  ✓ Major courses: Select appropriate department, then click “Display Web Results”
  
  ✓ General Education courses: Select GE category, then click “Display Web Results”

- When selecting courses, pay attention to times, dates, and places. Also write down the 5 digit code which you will need to register through WebReg.

When there are different types of courses listed under the “Typ” column, you must enroll in one of each type to maintain your enrollment in the course. Note if there is more than one lecture offered, you must select the corresponding co-class to enroll (See picture below).

NOTE: Section A (Code 70030) lecture and section A1-A9 (Codes 70031-70039) labs. An attempt to enroll in lecture 70030 (Section A) and lab 70052 (Section B2) will result in the message “CO CLASS MISMATCH”. You will be dropped from the class once you log out of WebReg, if fail to correct the enrollment error.

KEY TERMS

 ✓ Open: Class is open to all students who meet the prerequisites (if any)
 ✓ Waitlist: The maximum class enrollment has been reached but students may waitlist the course so that if any currently enrolled student drops the course, the waitlisted students will be automatically enrolled.
 ✓ Full: Enrollment and waitlist positions are full. Student cannot electronically enroll in the course.
 ✓ EAD: Indicates courses as “electronic add/drop”.
   o Column Definitions, Building Abbreviations, Restriction Codes, and Campus Map are conveniently located at the bottom of each WebSOC results page.
CLASS REGISTRATION (WebReg)

WebReg is accessible from [http://www.reg.uci.edu](http://www.reg.uci.edu). UCInetID and password required. Use WebReg to enroll in classes and make schedule changes during the registration period and the adjustment period. WebReg is available from 6:00 AM to 4:00 AM daily, with occasional down times for special circumstances such as final grade update.

After logging in with UCInetID and password, you should see this Menu.

### FALL Quarter Menu

- **Enrollment Changes Beginning Fall 2010**
  - **Enrollment Menu**: Add, drop, or change your course enrollment.
  - **Wait List Menu**: Add or drop courses on the Wait List.

### Enrollment Information

- **Enrollment Window**: Display the date and time you can first enroll through WebReg.
- **Fee Status**: Display whether your fees have been received.
- **Study List**: Display your class schedule.

---

**ENROLLMENT WINDOW** (Viewable Monday of Week 7 for upcoming academic quarter)

- Indicates first time you are allowed to enroll in courses.

- When your Enrollment Window opens, you have continuous access to the Enrollment Menu for the next 48 hours.

- After the 48 hours, you may only access WebReg between the hours of 7:00 PM to 7:00 AM.

**FEE STATUS**

- Indicates the last day fees are due and whether you have paid them.
  
  **Note:** *if you fail to pay by the deadline, you will be dropped from all of your classes.*

**STUDY LIST**

- Displays courses currently enrolled in.
ENROLLMENT MENU

To enroll: Select “Add”, input the 5 digit code from WebSOC, and then click “Send Request.”

To drop: Select “Drop”, input the 5 digit code from WebSOC, and then click “Send Request.”

To change grade option/units: Select “Change”, input the 5 digit code from WebSOC and change request, and then click “Send Request.”

Once changes have been submitted, the system will indicate if further action is needed or if there are any problems. As the following image demonstrates, enrollment in History 15C is not complete until the student enrolls in the corresponding discussion section.
WAITING LIST MENU

- When courses have reached the maximum enrollment, students may waitlist the course if the option is indicated on WebSOC. When you waitlist a course, you are not enrolled but rather placed on a list of students who will be automatically enrolled based on their order on the waitlist as enrolled students drop the course.

- Similar to the Enrollment Menu, in order to remain waitlisted for a course you must waitlist each type of class offered.

- You will be informed through your UCI email if you are enrolled in the course. Make sure to check your UCI email regularly.

- If you no longer wish to enroll in the course, please remove yourself from the waitlist to avoid being accidentally enrolled in the course should enough enrolled students drop. It is your responsibility to make sure that your official class schedule accurately reflects the courses you are taking.

AUTOMATIC log off* WILL RESULT IF:

Exceeding the maximum time (3 minutes of idle time and 12 minutes of activity) Minimizing the window Hitting the <BACK> button *An automatic log off may result in a delay in disconnecting WebReg from a record resulting in the message “Student record in use, please try again in a few minutes.” If this happens, wait about 3-5 minutes then try again
STUDENT BILLING SYSTEM - Current Account

This is the Current Account view you'll see on ZOT Account Online. It shows the status of your registration fees, previous and current balances, future credits and debits, minimum amount due, as well as details of all transactions.

You will not receive any paper bills. Instead, it is your responsibility to check your bills on-line at https://zotaccount.uci.edu/
BILLING STATEMENTS (ZOTBills)

Billing statements, called ZOTBills, are produced monthly for accounts that have activity or have balances greater than zero. If your account has a balance due or has had activity, your UCI email account will receive an email message reminding that you can view your most recent monthly bill, your current account information, and pay your bill electronically on ZOT Account Online.

If your account had no activity and the balance due is $0.00, you will not receive an email, but you can view account information on ZOT Account Online twenty-one hours a day, seven days a week. Your ZOTBill is what you see in the Current Account view on ZOT Account Online.

REGISTRATION FEES

This is the Registration Fee view you’ll see on ZOT Account Online.

PAYMENT INSTRUCTIONS

The Amount Due on the ZOTBill is the minimum payment amount required. Payments can be made electronically from your ZOT Account Online, or by check or money order drawn on U.S. funds and made payable to the REGENTS OF THE UNIVERSITY OF CALIFORNIA or UC REGENTS. Payment must be received by the Cashier by the due date to avoid late charges and other potential consequences.

Contact Central Cashier: ☎️ (949) 824-6916
PACE PAYMENT PLAN (Installment Payments)
The PACE Plan spreads the costs of registration into three monthly payments over the length of the quarter. A student must apply for and activate a new PACE Plan Agreement each quarter. The Plan is activated when the Central Cashier processes the first installment payment (including the non-refundable participation fee), no later than the applicable registration fee deadline. Until then the current PACE application can be cancelled without penalty.

Each student participant must apply quarterly from ZOT Account Online and must agree to abide by the PACE Terms and Conditions in order to join and remain in the program.

REGISTRATION AND ENROLLMENT
Registration fee payment (either electronically or by check or money order along with a payment stub from your ZOT Account Online) must be received by the Central Cashier by 4:30 PM Pacific time on the fee deadline date. If the full amount of registration fees is covered by financial aid or a combination of aid and waivers, and you have enrolled in the Minimum Required Units (MRU), your fees will be paid automatically. If you have partial fee coverage, submit the amount due to the Central Cashier. Failure to meet the fee payment deadline will cause classes added via WebReg to be dropped and late service charges to be assessed.

FOR NEW STUDENTS
Holds on New Students’ Records

A "hold" is placed on your registration if you are a newly admitted student and the Office of Admissions and Relations with Schools (OARS) has not received the requested documents to verify your conditions of admission stated in your Transfer Conditions (mailed to you with your admissions letter). Requested documents may include official high school transcripts, official transcripts from any college course work, official test scores (SAT I or ACT, SAT II), and official Advanced Placement (AP) and/or International Baccalaureate Higher Level (IB) exam scores. To check the status of sent documents and to see what specific documents OARS still needs, go to Admissions and Relations with Schools and log on to MyAdmissionsApplication@UCI. Click on "MyTests" and "MySchools."

A "hold" on your record may prevent you from registering. If you have already enrolled, then the hold may drop you from your courses if you do not resolve the hold. Your admission to UC Irvine is subject to cancellation if OARS does not receive the requested official documents or if any information you submitted on your UC application does not agree with the official documents you submit.

Contact Admissions and Relations with Schools: ☏ (949) 824-6703

FOR STUDENTS WITH FINANCIAL AID

As soon as you have enrolled in your Minimum Required Units (MRU) and satisfied any conditions noted on your ZOT Account, your aid will be applied to your fees to pay them automatically. The MRU for payment of fees is 6 units for financial aid. It is your responsibility to comply with all terms of the financial aid award before funds can be disbursed. In order to receive financial aid, students are required to pay all University debts, submit all required documents (including on-line entrance counseling materials), and enroll in the MRU. After registration fees and other University obligations are paid, remaining aid will be electronically deposited or mailed, as you designated with the Office of Financial Aid and Scholarships, beginning the first day of the quarter.

Contact Office of Financial Aid and Scholarships: ☏ (949) 824-8262
HEALTH INSURANCE - Undergraduate Student Health Insurance

As required by the UC Regents, all undergraduate students are assessed for health insurance as part of their student fees. If you have comparable, verifiable health insurance, you may apply for an exemption (waiver) of this fee using an electronic form available on ZOT Account Online. All waiver applications are handled through ZOT Account Online and instructions are provided. Waivers are due the Friday preceding the fee payment deadline. Additional information on the waiver process is available from the Student Health Center.

Contact Student Health Center Insurance Office: ☎️ (949) 824-7093, ☎️ (949) 824-4042, or ☎️ (949) 824-9415

Through Student Access, students can view and update their information including past and present coursework, address, view grades, etc.
UNIVERSITY REQUIREMENTS

UC Entry Level Writing

Can be met prior to UCI entrance by:
- Scoring 3 or higher on AP English (Language or Literature) exam.
- Scoring 680 or better on the Writing section of the SAT Reasoning Test.
- Passing UC Analytical Writing exam.
- Scoring 5 or above on the International Baccalaureate English A exam.
- Completion of one quarter or one semester of English composition with a “C” or better.
- Completion of the CSU English Equivalency test with Pass for two full courses of College English credit.

American History & Institutions

Can be met prior to UCI entrance by:
- Completing one year of U.S. history OR one semester of U.S. history and one semester of U.S. government in high school (passed with a grade of “C” or better).
- Scoring 3, 4 or 5 on A.P. U.S. History exam.
- Scoring 550 or better on SAT II American History and Social Studies test.

Unit

Credit for a minimum of 180 quarter units is required to graduate. (Note: Maximum units that can be transferred from community colleges are 105 quarter units).

Grade

A minimum grade point average of at least “C” (2.0) is required overall and in all of the courses required for the major.

Residence

At least 36 of the final 45 units completed by a student for the bachelor’s degree must be earned in residence at the UCI campus. Participation in a UC EAP program, travel-study, or attending another UC is considered in residence.

SCHOOL OF SOCIAL SCIENCES REQUIREMENTS

Math

- All math courses must be taken for grades
- All three-courses sequences
  - Math 2A-B AND Stats 7
  - Anthropology 10 A-B-C
  - Psychology 10A-B-C
  - Social Science 10 A-B-C
  - Sociology 10 A-B-C
- Quantitative Economics majors: Math 2A-2B-4-3A and Statistics 120A-120B-120C
- May NOT take Social Science 9 A-B-C to fulfill mathematics requirement

Computer

- One of the following courses: ICS 31 or Social Science 3A
IGETC

The Intersegmental General Education Transfer Curriculum (IGETC) is a series of courses prospective transfer students may complete at California community colleges to satisfy the lower division general education requirements at both the University of California and the California State University. It was developed to simplify the transfer process for students.

If you choose to follow IGETC, you must complete it before you transfer to UC. If not, you will be required to satisfy the specific lower division general education requirements of the college or school at the UC campus you attend. All IGETC coursework does not have to be completed at the same college. Courses taken at more than one California community college may be used to fulfill IGETC. However, application of courses to IGETC subject areas may vary from college to college. Always consult your community college advisors regarding IGETC.

IGETC is not an admissions requirement therefore not all transfer students have received IGETC. An Associate’s Degree is NOT equivalent to IGETC.

Students who have completed UC IGETC must request to have an official, sealed copy of the IGETC certification sent to Social Sciences Undergraduate Student Affairs. Note that at some community colleges, UC IGETC is noted on the transcript while for others, it is a separate form that must be specifically requested (please check with the community college).

If the student has not completed IGETC requirements, the student must refer to the community college to determine if it is possible to complete IGETC after transferring to UCI. If possible and appropriate, the student should complete the remaining requirements and the School of Social Sciences will honor the IGETC. If not possible, the student should try to be evaluated for partial UC IGETC by the community college. Upon receiving it, the student would then petition to be allowed to use it towards their UCI General Education requirements (Note this is only approved in special circumstances).

IGETC requirements do NOT satisfy:
- Upper division writing (Category 1-B)
- School of Social Sciences Requirements
  - Math requirements
  - Computer Technology requirements

If IGETC cannot be awarded, it is highly recommended that the student schedule an appointment with an academic counselor to be evaluated for missing UCI General Education requirements as soon as possible.

General Education Requirements - Please refer to the General Catalogue for a complete list of courses.

I. Writing (2 lower-division courses plus 1 upper-division course)

Because of the importance of writing in every academic discipline, in the professions, and in public life, the University is committed to developing the writing abilities of its students at all levels and in all areas. The Writing Requirement expresses this commitment, but the concern for and attention to clear, accurate writing is expected in all courses.

- Need (2) lower division courses and (1) upper division course.
- Must complete lower division writing before 7th quarter at UCI.
- Must pass the UC Analytical Writing exam before enrolling in courses.
- Courses for writing must be completed with a minimum grade of “C” or better

NOTE: ALL STUDENTS MUST COMPLETE THE UPPER DIVISION WRITING REQUIREMENT AT UCI. IGETC DOES NOT SATISFY THIS REQUIREMENT.

II. Science and Technology (3 courses)

Understanding the nature of scientific inquiry and the operation of the biological, physical, and technological world is essential for making personal and public policy decisions in a technological society. Students must complete three courses from the approved list in the General Catalogue.
III. Social and Behavioral Sciences (3 courses)
Courses will focus on principles, sources, and interpretations of human behavior and on how people organize, govern, understand, and explain social life. This category includes the analysis of human behavior at all levels, from the individual to collective social, economic, and political life, and on the scientific methods used in the acquisition of knowledge and the testing of competing theories.

- Satisfied by majoring in the School of Social Sciences

IV. Arts and Humanities (3 courses)
Study of the Arts and Humanities expands the student’s sense of diverse forms of cultural expression, past and present. Students develop their critical capacity as they discover how meaning is created and experience variously interpreted. Students must complete three courses from the approved list in the General Catalogue.

V. Quantitative, Symbolic, and Computational Reasoning (3 courses)
This requirement enables students to evaluate quantitative and symbolic arguments and to model and solve real-world problems using systems of abstract models.

- Completed by Social Sciences Math Requirement

VI. Language Other Than English (up to 3 courses)
Study of a language other than English expands students’ horizons by encouraging understanding of another culture through its language and heightens one’s own language through the investigation of another linguistic system.

Can be met prior to UCI entrance by:

- 3 years of Foreign Language in high school (must have “C” average in the last year).

- AP score of 3, 4 or 5 in a language other than English

- SAT II score of 570 or better (500 or better in Modern Hebrew)

At UCI, can be satisfied by:

- UCI Exemption Exam (Contact the UCI Testing Center)

- Satisfaction of the 1C level of a language other than English

- EAP approved course of study

NOTE: Chicano/Latino Studies majors must take Spanish 2A and International Studies majors must complete the 2C level of one language other than English for a letter grade.

VII. Multicultural Studies (1 course)
This requirement develops students’ awareness and appreciation of the history, society, and/or culture of one or more underrepresented groups in California and the United States.

Students must complete one course from the approved list found in the General Catalogue. In fulfilling Category VII, students are encouraged to use courses that are also being used in fulfillment of other GE Categories. For example, Humanities 1C simultaneously satisfies Category VII and a portion of Category IV.

VIII. International/Global Issues (1 course)
Courses in this category focus on significant cultural, economic, geographical, historical, political, and/or sociological aspects of one or more countries other than the United States. Approved courses can be found in the General Catalogue.

In fulfilling Category VIII, students are encouraged to use courses that are also being used in fulfillment of other GE Categories. In addition, Category VIII may be satisfied by one quarter’s participation in the Education Abroad Program (EAP).

Overlapping courses between GE Categories:

- Courses applied to Categories II, III, IV, V may not have any overlaps between these Categories

- Courses applied to Categories VII and VIII may overlap with other categories (including Categories II, III, IV, V)
GENERAL EDUCATION (GE) REQUIREMENT

UCI is committed to the values of a liberal education. One component of that commitment is the requirement that all undergraduates complete a set of general education (GE) requirements. General education courses introduce students to a range of ideas and intellectual activities that engage UCI scholars, providing both scope and balance to a University degree beyond the study of a specific major.

The general education requirements are intended to help undergraduates place the specialized study undertaken in the major within a broader context. They are designed to cultivate the skills, knowledge, and understanding that will make students effective contributors to society and the world. The general education requirements should enable UCI undergraduates to apply the abilities developed in their studies to identify significant issues, gather and evaluate available evidence, analyze alternatives, reach conclusions, communicate the results effectively, and take considered actions.

The general education requirement is a graduation requirement and, with the exception of the lower-division writing requirement, need not be satisfied during only the lower-division years. To satisfy the general education requirement, courses are required in each of the following categories:

I. Writing (two lower-division plus one upper-division course)
II. Science and Technology (three courses)
III. Social and Behavioral Sciences (three courses)
IV. Arts and Humanities (three courses)
V. Quantitative, Symbolic, and Computational Reasoning, with subcategories Va and Vb (three courses that may also satisfy another GE category)
VI. Language Other Than English (one course)
VII. Multicultural Studies (one course that may also satisfy another GE category)
VIII. International/Global Issues (one course that may also satisfy another GE category)

The specific courses in each area that students may use to satisfy the requirements are listed below. When a general education course is cross-listed with another course, that course also is available for fulfillment of the requirement. Students should refer to the Catalogue descriptions of the courses to determine which are cross-listed.

A course qualifies for a particular GE category based on its content rather than on the academic unit that offers it. However, to increase students’ exposure to a variety of disciplinary approaches, students are encouraged to choose GE courses from a wide range of schools and departments outside of the student’s major.

NOTE: The following list of courses approved for GE is effective for the 2012–13 academic year only. Because changes occur each year, students should consult the GE list annually to ensure that the courses they enroll in are on the list. GE credit is awarded for a course only if it appears on the list during the academic year when it is taken. To check the GE course offerings in a particular quarter, consult the Schedule of Classes on the Registrar’s Web site at http://www.reg.uci.edu.

GENERAL EDUCATION CATEGORIES

I. Writing. Because of the importance of visual, oral, electronic, and written communication in every academic discipline, in the professions, and in public life, the University is committed to developing a variety of communication abilities in students at all levels and in all areas. The Writing Requirement expresses this broad commitment, but the concern for and attention to rhetorically effective, accurate academic writing is expected in all courses.

The Writing Requirement consists of two courses at the lower-division level beyond the UC Entry Level Writing requirement and one upper-division course in a discipline. Except where otherwise noted below, students must satisfy the UC Entry Level Writing requirement prior to fulfilling the UCI writing requirement.

Students who have not completed the lower-division writing requirement before the beginning of their seventh quarter at UCI will be subject to probation. Students transferring to UCI normally should have satisfied the lower-division writing requirement before entering UCI; if, however, they have not, they must complete it within their first three quarters of enrollment or they will be subject to probation. Academic English/English as a Second Language students must complete the lower-division writing requirement before the beginning of the seventh quarter following the completion of their AE/ESL courses or they will be subject to probation.

The third course must be an upper-division writing course, and it must be taken only after the successful completion of the lower-division requirement.

Students enrolled at UCI may take only UCI courses in satisfaction of the lower-division and upper-division writing requirements. Continuing UCI students may not take summer courses at another institution to satisfy lower-division or upper-division writing requirements.

After completing this GE requirement, successful students should be able to do the following:

Lower-division writing: demonstrate rhetorically effective, accurate academic writing and communication across a variety of contexts, purposes, audiences, and media using appropriate stance, genre, style, and organization; develop flexible strategies for generating, revising, editing, and proofreading texts; develop abilities in critical reading across a variety of genres and media; and demonstrate information literacy skills by locating, evaluating, and integrating information gathered from multiple sources into a research project.

Upper-division writing: demonstrate rhetorically effective, discipline-specific writing for appropriate academic, professional, and public audiences; demonstrate, at an advanced level of competence, use of discipline-specific research methods, genres, modes of development, and formal conventions; and demonstrate advanced information literacy skills by locating, evaluating, and integrating information gathered from multiple sources into discipline-specific writing.

Lower-Division Requirement: The two courses taken to fulfill the lower-division requirement must be completed with a minimum grade of C (or a Pass or Credit grade equivalent to C).
Students may select from the courses specified below:

1. Writing 39B (Critical Reading and Rhetoric) and 39C (Argument and Research).
2. Writing 37 (Intensive Writing) and 39C (Argument and Research). Recommended students only.
3. Completion of the writing component of the Humanities Core Course (Humanities 1A-B-C), with a grade of C or better in 1A or 1B, and in 1C, or for students held for the UC Entry Level Writing Requirement, a C or better in 1B and 1C.
4. Students who complete Writing 37 or 39B with a grade of B (3.0) or better may substitute as the second course of the lower-division writing requirement one of the following courses in creative writing: Writing 30 or 31.
5. Writing 39B and completion of a First-Year Integrated Program (FIP) sequence, with a grade of C (or Pass or Credit grade equivalent to C). The requirement may be satisfied by completing any one of the following:
   1. An upper-division course designated on a list of approved courses in the quarterly Schedule of Classes on the Registrar’s Web site at http://www.reg.uci.edu. NOTE: All courses approved to fulfill the upper-division writing requirement should have a “W” suffix. Students are encouraged to consult the Schedule of Classes or their advisor to determine the current upper-division writing requirement course offerings. If a course on the approved list is offered without the “W” suffix, it does not satisfy the upper-division writing requirement.
   2. Writing 139W.
   3. Writing 109, 110, 111, or 113. Consent of instructor is required. Students may not use such a course to satisfy the requirement unless they have attained a B or better in both courses taken to satisfy the lower-division writing requirement.
   4. Majors in the School of Biological Sciences, Physics majors, and Pharmaceutical Sciences majors satisfy the upper-division writing requirement in the manner specified in those respective academic unit sections of the Catalogue.

Students who fail to attain the required grades in the courses taken in fulfillment of the writing requirement should refer to the Academic Regulations and Procedures section for further information.

II. Science and Technology. Understanding the nature of scientific inquiry and the operation of the biological, physical, and technological world is essential for making personal and public policy decisions in a technological society. After completing this GE requirement, successful students should be able to do the following:
   - demonstrate a broad understanding of the fundamental laws of science, the principles underlying the design and operation of technology, and the interrelations among science and technology disciplines; demonstrate a broad understanding of various natural phenomena that surround and influence our lives; describe how scientists approach and solve problems; solve problems and draw conclusions based on scientific information and models, using critical thinking and qualitative and quantitative analysis of data and concepts; and explain the scope and limitations of scientific inquiry and the scientific method.

Students must complete three courses from the following list:

**Arts (Arts)**
80 Arts, Technology, and Science
(NOTE: Arts 80 may be counted toward either category II or IV but not both.)

**Biological Sciences (Bio Sci)**
1A Life Sciences
5 Introduction to Molecular Biology

IV. Arts and Humanities. Study of the Arts and Humanities expands the student’s sense of diverse forms of cultural expression, past and present. Students develop their critical capacity as they discover how meaning is created and experience variously interpreted.

After completing this GE requirement, successful students should be able to do the following: demonstrate knowledge and understanding of how visual and verbal communication is used in literature and film, art and music, and philosophy and history; communicate an understanding and appreciation of diverse forms of cultural expression, past and present; understand and explain the research methods used in the acquisition of knowledge and the testing of competing theories in the arts and humanities; and think critically about how meaning is created and how experience is variously interpreted.

Students must complete three courses from the following list:

African American Studies (AfAm)
40A, B, C African American Studies I, II, III
(NOTE: African American Studies 40A, 40B, 40C may be counted toward either category III or IV but not both.)

V. Quantitative, Symbolic, and Computational Reasoning
This category consists of two subcategories. Students are required to take one course in each of the subcategories and an additional course from either subcategory, for a total of three courses. A course approved for the GE requirement in category V and also approved for the GE requirement in a category other than V may be used to satisfy the requirements of both categories simultaneously. However, courses approved for both subcategories in category V may only be used once to satisfy one of the subcategories. The two subcategories are indicated as Va and Vb.

Va. Quantitative Literacy. Courses in this category focus on the quantitative description, evaluation, and assessment of events occurring in nature or in human social and political systems. This includes quantitative measurements made or data collected to study such events, analysis of the data, and implications of the analysis for our understanding of the events.

After taking a course in category Va, successful students will be able to do all of the following: identify appropriate tools for quantitative analysis of processes or events; have a basic familiarity with fundamental principles underlying quantitative descriptions of natural or social processes; and be able to do one or more of the following: evaluate studies and reports that assess risk and probability in everyday life; use models of natural phenomena to make quantitative predictions of future behavior or events; use models of economic and social structures to make quantitative predictions of future behavior or events.

VI. Language Other Than English. Study of a language other than English expands students’ horizons by encouraging understanding of another culture through its language and heightens awareness of one’s own language through the investigation of another linguistic system.

After completing this GE requirement, successful students should be able to do the following: demonstrate competency in reading, writing, speaking, and listening in a non-English language; demonstrate an understanding of another (non-English speaking) culture through its language; and demonstrate an understanding of one’s own language through the investigation of another, non-English linguistic system.

Students must demonstrate competency in a language other than English (includes American Sign Language) by completing one of the following options:

A. College-level course work equivalent to UCI’s third quarter of study in a language other than English. UCI courses approved to satisfy this requirement are:

- Arabic 1C Fundamentals of Arabic
- Arabic S1BC Fundamentals of Arabic
- Chinese 1C Fundamentals of Mandarin
- Chinese S1BC Fundamentals of Mandarin
- French 1C Fundamentals of French
- French S1BC Fundamentals of French
- German 1C Fundamentals of German

- Persian 1C Fundamentals of Persian
- Persian S1BC Fundamentals of Persian
- Portuguese 1C Fundamentals of Portuguese
- Russian 1C Fundamentals of Russian
- Spanish 1C Fundamentals of Spanish
- Spanish S1BC Fundamentals of Spanish
- Vietnamese 1C Fundamentals of Vietnamese
- Vietnamese S1BC Fundamental Vietnamese

For information on UCI’s prerequisites, course placement policies, and the grade required to advance to the next level of instruction, consult the School of Humanities (Language Other Than English Placement and Progression) section in this Catalogue.

B. Credit for three years of high school study or its equivalent in a single language other than English with a C average or better in the third year.

C. A score of 3, 4, or 5 on a College Board Advanced Placement Examination in a language other than English. NOTE: Students who earn a 3, 4, or 5 on the AP Chinese Examination must take the UCI Chinese placement examination to determine course credit.

D. A score of 570 or better on a College Board SAT Subject Test in a language other than English, with the exception of the test in Modern Hebrew for which a score of 500 or better is required.

E. Completion of an approved course of study through the UC Education Abroad Program (EAP). Careful planning is required to ensure that this requirement is fulfilled. Check with an EAP counselor at the Study Abroad Center to determine the programs in countries that fulfill this requirement.

F. The equivalent as determined by an appropriate and available means of evaluation. For information on availability of such examinations and testing schedules, consult the Academic Testing Center, (949) 824-6207. In addition, students should consult their EAP counselor to determine the programs in countries where the language of instruction is not English.

VII. Multicultural Studies. This requirement develops students’ awareness and appreciation of the history, society, and/or culture of one or more underrepresented groups in California and the United States.

After completing this GE requirement, successful students should be able to do the following: demonstrate knowledge of one or more historically underrepresented groups’ culture, history, and development in California and the United States; demonstrate an awareness and appreciation of cultural differences and inequities; and demonstrate an understanding that cooperation and mutual understanding among all cultural groups is needed to interact successfully in a culturally diverse society.

Students must complete one course from the following list. In fulfilling category VII, students are encouraged to use courses that are also being used in fulfillment of other GE categories. For example, Humanities 1C simultaneously satisfies category VII and a portion of category IV.

VIII. International/Global Issues. Courses in this category focus on significant cultural, economic, geographical, historical, political, and/or sociological aspects of one or more countries other than the United States.
After completing this GE requirement, successful students should be able to do the following: demonstrate specific knowledge of the cultural, historical, social, economic, scientific, and political aspects of one or more foreign countries, and the connections among these aspects; develop a broader understanding of the formation of different cultures and countries through the world; and be prepared to engage in positive interaction with peoples of different cultures and nationalities.
Students must complete one course from the following list. In fulfilling category VIII, students are encouraged to use courses that are also being used in fulfillment of other GE categories. In addition, category VIII may be satisfied by one quarter’s participation in the UC Education Abroad Program (EAP) or one quarter’s participation in an International Opportunities Program (IOP) with an approved IOP Credit Contract. Summer study abroad on an EAP, IOP (with approved IOP Credit Contract), or UCI Summer Session Travel Study program satisfies this requirement when the program is at least five weeks long and a student completes at least one course worth at least four quarter units.

First-Year Integrated Program (FIP)

University Studies 11–17 are three-quarter multidisciplinary sequences for freshmen only. These integrated courses are designed to introduce students to the ways different disciplines approach similar problems and to provide a freshman learning community experience. Successful completion of all three quarters will satisfy several courses toward partial fulfillment of different GE requirement categories. These courses are designed to have a capstone research writing component in the third quarter which will satisfy the second quarter of the lower-division writing requirement—of one of the four courses toward partial fulfillment of GE categories. To satisfy the second quarter of the lower-division writing requirement—one of the four courses toward partial fulfillment of GE categories. Students must concurrently enroll in Writing 39B either the fall or winter quarter and pass it with a grade of C or better, and also complete the FIP sequence with a grade of B- or Pass in the third quarter of the sequence.

NOTE: Undecided/Undecided students enrolling in an FIP sequence are not required to take University Studies 2.

University Studies 11A-B-C Persuasion and Social Change I, II, III (5-5-5), GE: One course toward category I—equivalent of Writing 39C, and three courses toward category IV.

STRATEGIES - These are a few suggestions to prepare you to successfully pursue your career:

1. Obtain an internship or volunteer position in your field of interest to gain experience and skills.
2. Get involved in campus clubs and organizations to develop leadership abilities and expand your network.
3. Attain research experience with a professor or department on campus for desired field.
4. Research occupations to find out education requirements, desired skills, salary, outlook and related jobs.
5. Maintain a good GPA and develop strong personal recommendations with supervisors and professors.
6. Become familiar with the hiring practices for your industry of interest.
7. Take specific classes or add a minor to specialize and advance your skills.
8. Get a full or part-time job to gain time management and customer service skills and responsibility.
9. Prepare for graduate school (if necessary) by researching schools and taking the required admissions tests (i.e. GRE, GMAT, LSAT, etc).
10. Visit the UCI Career Center to learn about choosing/changing your major, the job search process, selecting and applying to graduate school, internship opportunities, interviewing, and resume writing. Information available online (http://www.career.uci.edu) and in the UCI Career Center Library (100 Student Services 1).
CHANGE OF MAJOR REQUIREMENTS - How do I change/declare/add my major?
You may change/declare/add your major once the quarter has started. However, each School on campus has specific policies and requirements regarding change of majors. It is in your best interest to inquire early as to these requirements. Academic Counselors and Peer Academic Advisors in each school will be able to assist you in this process.

- Completion of at least five courses from the School of Social Sciences. Two of the five courses must be in Sociology. All five courses must have a GPA average of 2.30 or better with no grade less than a "C".

How many courses can I overlap if I am a double major or have a minor?

- Double major within the School of Social Sciences: 2 introductory level lower division courses
- Major in the School of Social Sciences and a minor from another school: 2 courses
- Major and a minor in the School of Social Sciences: **NO OVERLAP**.
- No course overlaps between two minors
MINORS

A minor consists of a coordinated set of courses (seven or more) which together take a student well beyond the introductory level in an academic field, subject matter, and/or discipline but which are not sufficient to constitute a major. An interdisciplinary minor consists of courses offered by two or more departments, schools, or programs. Generally, all minors are available to all students, with the following exceptions: (1) students may not minor in their major, and (2) students may not complete certain other major/minor combinations that are expressly prohibited, as noted in the Catalogue. Minors are listed on a student’s transcript but not on the baccalaureate diploma. If interested, students should contact the School that houses the minor.

CERTIFICATES

Anthropology

To help provide more focused undergraduate training in anthropology with real-world applications, the Department of Anthropology offers six certificate programs, open to all undergraduates regardless of major. Each is designed to complement a student’s other coursework and to provide expertise in a specific area of anthropological inquiry. For more information regarding the department’s certificate program, please visit their website at www.anthro.uci.edu/undergrad_certificates.html.

- The Certificate in Law and Policy
- The Certificate in Global Studies
- The Certificate in Economy and Culture
- The Certificate in Ethnomusicology
- The Certificate in Gender Studies
- The Certificate in Medical Anthropology

Sociology

The UCI Sociology Department offers undergraduate Sociology Majors the opportunity to earn up to four departmental certificates. Each certificate recognizes successful completion of a focused course of study in one of four areas. For more information regarding the department's certificate program, please visit their website at http://www.sociology.uci.edu/soc_undergrad_cert.

- Business, Economy, and Society
- Diversity
- International Sociology
- Planning and Human Services

Chicano/Latino Studies

The Department of Chicano/Latino Studies offers the opportunity to earn up to three Departmental certificates. Each certificate recognizes successful completion of a focused course of study in one of three areas. Applications and notices of designated University or Departmental events, seminars, and colloquia pertaining to each certificate will be posted on the undergraduate bulletin board on the 3rd floor of Social Science Tower (outside of Social Science Tower 383) and online. The certificate program is available to all majors. For more information on the department’s certificate program, please contact Ramón Muñoz at rrmunoz@uci.edu.

- History and Culture Certificate
- Social Policy and Issues
- Chicano/Latino Community in a Global Context

Middle East Studies

Certificate of Middle East Studies (Interdisciplinary certificate) offered through the Middle East Studies Student Initiative, the certificate offers students the opportunity to develop further understanding of the region. TRANSFER UNITS

To receive credit or units for coursework completed outside of UCI, student must submit official sealed copies of the transcripts or records to UCI Admissions or the Social Sciences Undergraduate Student Affairs (SSUSA). The following includes some tools to determine how California community college coursework may transfer. For coursework taken at a 4-year university or out of state, please contact SSUSA to have them evaluated by an academic counselor (Please refer to the “Petitions” section).
ASSIST (http://www.assist.org)

ASSIST is an online student-transfer information system that shows how course credits earned at California community colleges can be applied when transferred to the University of California, Irvine. ASSIST is the official repository of articulation for California’s public colleges and universities and provides the most accurate and up-to-date information about student transfer in California.

Steps:
2. Select your community college from a list of colleges and select a catalogue year.
3. Select “University of California, Irvine”.
4. Find courses
   a. For lower division courses in your major, select your major.
   b. For Breadth/General Education requirements, select “General Education/Breadth”

This website only lists which courses can be transferred if offered. Students must still refer to the community college’s website to find course schedules. Upon completion of the courses, students should request to have an official sealed copy of the transcript sent to UCI Admissions or the Social Sciences Undergraduate Student Affairs (SSUSA).

Courses taken at community colleges can only transfer units and subject credit. Community colleges only offer lower division courses, so all upper division courses must be taken at four-year universities. Note that all math courses and major courses must be taken for grades. Refer to “Transcript Notations” for information about unauthorized repeats.

*For UC transferable courses, 1 semester unit is equivalent to 1.5 UC quarter units*

1. Maximum credit is 8 units.
2. Students who wish to enroll in any Chinese, Japanese, or Spanish course at UCI are still required to take the placement examination (and oral interview, if necessary). Students, however, cannot earn units or grade points in courses from which they have been exempted on the basis of Advanced Placement credit, even if placement results require enrollment in such a level.
3. Maximum credit is 4 units.
4. Students who take the Calculus BC examination and earn a sub-score of 3 or higher on the Calculus AB portion will receive credit for the Calculus AB examination, even if they do not receive a score of 3 or higher on the BC examination.

**NOTE:** All students should refer to the information about Duplicate Credit in the General Catalogue.

**Diploma Programme**  
Up to 30*  
The programme includes six IB exams, with varying breadth and/or course credit.  
*Students are granted 30 units if they earn 30 total Diploma Programme points.  

**Elective Credit**  
Elective credit is awarded in cases where breadth and/or UCI course credit does not apply.  

**Duplicate Credit**  
Students should be aware that IB exams, AP exams, and college courses taken prior to or after enrolling at the University may be duplicative. In these cases, the University will award credit for only one of these.  

**Credit Limitation**  
A student may receive eight units maximum for Higher Level IB exams that are duplicative.
STUDENT AFFAIRS OFFICE FUNCTIONS

Whom do I speak with?
It depends on what you need! The School of Social Sciences does not assign specific advisors so you can meet with any one of our Academic Counselors or Peer Academic Advisors to find the answers you need.

Front Desk (Walk-In) - a Peer Academic Advisor and an Academic Counselor to answer quick questions, direct you to the correct resource, schedule appointments with Academic Counselors, and provide forms regarding excess unit request, prerequisite clearance, change of majors, post-quarter add/drop/changes, and part-time student applications.

Peer Academic Advisors (Walk-In) - questions regarding unofficial degree checks, class schedules, general education, school, and major requirements, change of major process, petitions, and application to graduate.

- To talk to a Peer Academic Advisor you may come in during office hours for walk-in advising.

Academic Counselors (Appointment/Walk-In) - official graduation degree check, petitions, academic contracts or if you have any sort of IGETC related questions.

- Appointments with Academic Counselors are only scheduled for declared students who are majors in the School of Social Sciences. To schedule an appointment with an Academic Counselor please call (949) 824-6803.

STUDY ABROAD ADVISING

- Prospective Education Abroad Program (EAP) participant- Walk-in advising only from 8:30 AM to 9:30 AM Monday through Friday. Bring copies of the course descriptions to have your courses evaluated once you have chosen one specific program.

- Prospective International Opportunities Program (IOP) participant- Walk-in advising only from 8:30 AM to 9:30 AM Monday through Friday. The IOP Advance Contract online must be evaluated by UCI Admissions before our office can evaluate the courses.

- EAP/IOP Returner- Call (949) 824-6803 to schedule an appointment with an EAP/IOP Academic Counselor once grades have been posted on your UCI transcript (for EAP students) or official transcripts have been received (for IOP students). Make sure to bring course syllabi to the appointment.

ACADEMIC PROBATION/CONTRACT

What are Academic Probation and Academic Contract?
Good academic standing at UCI is maintaining quarterly and cumulative grade point averages (GPAs) of at least 2.00. If either GPA falls below 2.00, the student should contact the Social Sciences Undergraduate Student Affairs Office as soon as possible to determine their status and whether action is necessary to avoid disqualification. The two main phases before disqualification are Academic Probation and Academic Contract.

Academic Probation
When a student’s quarterly GPA falls below 2.00 but their UC cumulative GPA is still above 2.00, the student is placed on Academic Probation. No action is taken but this serves as a warning.

Academic Contract
There are two situations which place a student on academic contract.

- Two consecutive quarterly GPAs below 2.00
- UC cumulative GPA below 1.80

An email will be sent to you regarding your Academic Contract. Do not ignore the email. It will serve as your contract if you do not come into the SSUSA to see an Academic Counselor. If you have any questions or would like to discuss the terms of the Academic Contract, please call to schedule an appointment at (949)824-6803. If the student satisfies the terms of the Academic Contract, then the student may be off contract or the contract may be extended, depending on the student’s overall progress. Meeting the terms of the Academic Contract ensures the student’s eligibility to continue as a UCI student for the upcoming academic quarter.

If the student violates the contract, the record will be reviewed again to determine whether the student will be disqualified. The student in this situation should contact the SSUSA to determine their status as soon as possible.
DEAN’S SIGNATURE

Academic Counselors in the Social Sciences Undergraduate Student Affairs Office (SSUSA) are authorized to sign for the Dean of Social Sciences. Therefore, if any forms, including readmission, part-time student petition, etc. require the Dean’s Signature, please come to the Social Sciences Undergraduate Student Affairs Office (SSUSA). Contact the Registrar for verifications of enrollment and grades.

CANCELLATION/WITHDRAWAL

Undergraduate students who pay fees for a regular academic quarter and then decide to withdraw from the University must submit a Cancellation/Withdrawal form to the Office of the Registrar after obtaining the signature of their academic dean (available at the Social Sciences Undergraduate Student Affairs Office (SSUSA) for students affiliated in the School of Social Sciences). This form serves two purposes: (1) a refund of fees, if applicable; and (2) automatic withdrawal from all classes. The effective date of withdrawal is used in determining the percentage of fees to be refunded. A “W” grade will be recorded for each course in which withdrawal is effective date of withdrawal is after the end of the sixth week of classes.

New undergraduate students are encouraged to seek advice from their admissions or academic advisor to understand the consequences of withdrawal and their eligibility to return, before submitting the form (Please refer to the Readmission section).

If an undergraduate student plans to leave the University after completing all academic work for the latest quarter of enrollment and has not paid fees or enrolled for the next quarter, a formal notice of withdrawal is not necessary.

READMISSION

All Students
Readmission is subject to Dean’s signature/approval (available in the Social Sciences Undergraduate Student Affairs Office (SSUSA) for students affiliated with the School of Social Sciences) and campus deadlines (August 1 for Fall Quarter, November 1 for Winter Quarter, and February 1 for Spring Quarter). To apply for readmission, a student must first visit their academic advising office to obtain the Dean’s signature. The application is on-line and will be submitted by an academic counselor upon approval. The $70 application fee will be added to a student’s Zot Bill within two to three days of being approved for readmission.

New Undergraduate Students
New undergraduate students who cancel registration prior to the first day of the quarter must reapply to UCI; they are not eligible to file for readmission as described above.

Former UCI Students
Former UCI students who wish to be readmitted should contact the undergraduate advising office of the school or program which offers their intended major.

Poor Academic Standing
If a student has been academically disqualified from the University or has left the University while on probation or subject to disqualification, the student must apply for readmission. The application is subject to the approval of the Dean of the School which the student hopes to enter. Transcripts for work taken at other institutions must be submitted as part of the application.

Part-Time Student Status
A student with full-time student status must be enrolled in a minimum of 12 units. A student enrolled in less than 12 units will lose their full-time student status, but still pay the full-time fees unless a Petition for Reduced Fee Part-Time Study Program has been submitted by the deadline.

The School of Social Sciences only accepts three reasons for petitioning for reduced fees as a part-time student and requires appropriate documentation:

- Health
- Family obligation
- Work (Student must work a minimum of 25 hours a week to qualify)

If the student qualifies, they must bring in the documentation to the Social Sciences Undergraduate Student Affairs Office (SSUSA) and fill out the Petition for Reduced Fee Part-Time Study Program. Once approved, the student must submit the Petition to the Office of the Registrar no later than 5:00 p.m. Friday, the end for the third week of classes, to be eligible for reduced fees.

HOW LONG DO I HAVE TO ADD/DROP/CHANGE CLASSES?
To drop or add or change the grading option on a course, you use WEBREG at http://www.reg.uci.edu/registrar/soc/webreg.html
Please note the below deadlines that are effective for the UCI campus effective Fall 2010.

**Dropping a Course**
The deadline to DROP a course is Friday at 5:00 PM of week 2 in the current quarter.

**Adding a Course**
The deadline to ADD a course is Friday at 5:00 PM of week 3 in the current quarter.

**Changing a Course Grading Option (Grade to Pass / No Pass or Pass / No Pass to Grade)**
For majors in the School of Social Sciences, the deadline to change your grading option is by 5:00 PM of week 6 in the current quarter. The Dean’s approval will not be given after week 6.

**WHEN CAN I RE-TAKE A CLASS?**
**HOW MANY CAN I RE-TAKE?**

Classes cannot be retaken unless the grade earned was a "C-" or lower. The first 16 units retaken will replace the grades and units completely when calculated into the UCI GPA. The most recent grade will always replace the previous grade regardless of which grade is better, if it is within the first 16 units retaken. After the first 16 units, the old grade and the new grade will be averaged when calculated into the UCI GPA. The original and subsequent grades will all remain noted on the transcript.

**TRANSCRIPT NOTATIONS**

**UR** - Unauthorized Repeat. If a student repeats a course for which a passing grade ("C" or better) has already been received and the course is not approved as repeatable for credit, the student will receive a —UR and no credit, grade, or units will be given.

**“NR” — “No Record”**. This turns into an "F" if it is not taken care of within one quarter.

**“I” — “Incomplete”**. This means that your professor did not have enough coursework to determine your grade. Incomplete grades are only issued to a student who for a medically documented reason or some other documented reason was unable to complete an assignment or exam. Once you make up the work within the time agreed upon by the instructor, you will be issued a grade. Effective Fall 2010, any Incomplete grades that have not been changed within three quarters will automatically lapse to a grade of "F" on your transcript. Note you do not enroll in the course again, but complete the work with the professor’s approval and then receive a grade change with the help of the SSUSA.

**“W” — “Withdrawn from Course”**. This means that you dropped the course after the drop deadline.

**PETITIONS**

Students petition to receive credit for courses not preapproved on Assist.org or articulated in the catalogue.

Online petition (additional paperwork or documentation not required)
- Use a computer to access the web and enter the following URL: http://undergraduatestudies.ss.uci.edu/
- Click on —Forms & Policies link.
- Click on —Academic Petition link.
- Complete the form and submit.

A decision on your electronic petition will be completed in 3-5 business days. If you have any questions, please contact the Social Sciences Undergraduate Student Affairs Office at (949) 824-6803 or via email at socsci@uci.edu.

Paper Petition (additional paperwork or documentation required)
- Please bring in paperwork (i.e., course descriptions, syllabi, etc.) to our office.
- Fill out the paper petition in our office. We will contact you by phone or email you with the results.

**PREREQUISITE CLEARANCE**

Why can’t I enroll in a class, when I have met the prerequisites and am a major?

If you have a problem enrolling in a class and have met all prerequisites for the course, please come in to fill out a prerequisite clearance form.

Students, especially transfer students, need to come in to fill out prerequisite clearance forms if prerequisites (lower division writing, psychology, economics, etc.) were taken at another school or other institution (ex. AP scores) for each quarter they have a class that requires those courses as prerequisites. Please come before your enrollment window opens to avoid any complications with enrollment.
SOCIAL SCIENCES ACADEMIC RESOURCE CENTER (SSARC)
The Social Sciences Academic Resource Center was created over a decade ago to help School of Social Sciences students obtain the appropriate information to select a career and/or graduate school program, generate professional contacts and learn how to gain a competitive edge during their undergraduate years.

The Social Sciences Academic Resource Center provides valuable resources for undergraduates in the School of Social Sciences and is conveniently located across from the Social Sciences Office of Student Affairs in the Social and Behavioral Sciences Gateway building. Friendly and knowledgeable SSARC staff can guide you to the information you need in a relaxed, pleasant environment.

LEARNING AND ACADEMIC RESOURCE CENTER (LARC)
The Learning and Academic Resource Center provides services designed to help students acquire the skills they need to develop intellectually, become successful learners, and achieve their academic and professional goals. LARC staff and programs provide students with the personal contact and support needed for academic success on a large and diverse campus. The Center works closely with faculty to develop programs that meet both curricular objectives and the changing needs of students. LARC programs stress the development of academic abilities that all university students need regardless of major: effective study strategies, critical reading and analytical writing. The Center offers adjuncts classes, workshops, peer-tutoring groups, and individual counseling, including assistance in all forms of academic reading and writing.

UCI ACADEMIC TESTING CENTER
The UCI Academic Testing Center, a unit within the Division of Undergraduate Education, administers the Placement Testing Program to new and continuing students to ensure correct placement in selected introductory courses and to help students assess their readiness for University-level work. These tests are selected or developed by UCI faculty who also determine the grading criteria for each test. Students, with the help of academic counselors, use results from placement tests to determine enrollment in introductory courses and to formulate a plan of study that is best suited for their learning needs and career goals.

Placement tests are currently given in the areas of chemistry, physics, calculus, mathematical analysis, Chinese, Japanese, Korean, Vietnamese, Analytical Writing, and Academic English.

The Academic Testing Center also administers the Language Testing Program. Tests are offered in over 40 languages and are administered 3 times during the academic year.

The Academic Testing Center participates with the Composition Program in the campus-based administration of the University of California Analytical Writing Placement Exam.

UCI CAREER CENTER

Students are strongly encouraged to visit UCI’s Career Center early in their academic career. The Center assists undergraduate and graduate students with career decision-making and career planning through individual counseling, workshops, career programs, career fairs, employment opportunities, and graduate and professional school information. Vocational interest inventories are also available on a fee-for-service basis. The center provides students many opportunities to connect with employers, alumni, and professional and graduate schools. The Center assists students seeking part-time and full-time employment opportunities, teaches job search skills and interviewing techniques; and provides job listings and offers an on-campus interview program (OCI).

UNDERGRADUATE RESEARCH OPPORTUNITIES PROGRAM (UROP)

The Undergraduate Research Opportunities Program (UROP) in the Division of Undergraduate Education encourages and facilitates faculty-mentored research and creative activities by undergraduates from all schools and academic disciplines at UCI. UROP also collaborates with various schools and research units to develop specialized research opportunities. Conducting research and creative activities has become an integral component of the education undergraduates receive at UCI, and provides students with the necessary skills to succeed in their future careers. Research opportunities are available not only from every discipline, interdisciplinary program, and school, but also from many outside agencies, including national laboratories, industrial partners, and other universities. Opportunities are listed on the UROP website, and distributed through various e-mails throughout the academic year. Students interested in receiving more information and individualized assistance are encouraged to contact the UROP Office to set up an advising appointment.

Through UROP’s various programs, the UROP Team assists students through all phases of the research process, whether it is with proposal writing, developing research plans through project management skills, receiving grants to fund research projects, scholarly journal writing through The UCI Undergraduate Research Journal, or presenting results of the research or creative project through the UCI Undergraduate Research Symposium.

COUNSELING CENTER (Non-Academic)

The Counseling Center is here to provide the UCI community with a broad range of mental health support services. They include: individual, couples, and group counseling, urgent care, crisis response, consultation, and outreach programs.

The Counseling Center is committed to helping students achieve the maximum benefit from their UCI experience. The Center’s intention is to support students in performing well academically, to assist them through developmental tasks associated with their college student years, and to learn how to be more effective in developing, maintaining, and negotiating relationships with others. The Center is also committed to managing psychological crises which arise as a result of students’ inabilitys to cope with the pressures associated with a stressful academic environment.

The services offered by the Counseling Center are free of charge and available to all currently enrolled students. Services can be grouped into four areas: counseling and psychotherapy; workshops; academic instruction; training and consultation.

The Counseling Center is open from 8am to 5pm, Monday through Friday for scheduled appointments and a counselor is always available on an urgent basis. If you would like to talk with someone or make an appointment for counseling services please call (949) 824-6457.

STUDENT HEALTH CENTER
Effective Fall Quarter 2001, the Regents of the University of California instituted health insurance coverage as a condition of enrollment for all undergraduate students. This insurance is now included in your student fees and enrollment in the plan is automatic when you pay your fees. You may waive out of this plan if you can demonstrate comparable and verifiable health coverage that meets the campus’ minimum standards for insurance. (Refer to “Health Insurance”) The Student Health Center is the primary care facility for students covered by the USHIP. In order to take advantage of your insurance plan, all medical care must begin at Student Health. If you need a medical service that we cannot provide, you will be referred to a qualified provider in the community. If you are a member of USHIP, the cost of your medical care will be billed directly to your insurance plan. Students who waive out of the plan, but use Student Health, will pay at the time of service and will be given an itemized receipt they may submit to their insurance carrier for reimbursement.

DEAN OF STUDENTS
STUDENT LIFE & LEADERSHIP
The mission of the Office of the Dean of Students is to provide services, programs, and facilities that enhance the quality of education by extending the learning environment beyond the classroom and into the co-curricular lives of UCI students. The Office of the Dean of Students promotes student participation in campus life and advocates for needs that are valued by students and validated by campus objectives. The Office of the Dean of Students also promotes an active college lifestyle and encourages students to take advantage of opportunities to get involved with the university and student organizations. It is recommended, however, that all students maintain an awareness of balancing all aspects of college life and be educated about the programs with which they choose to participate.

STUDY ABROAD CENTER
The Study Abroad Center includes the Education Abroad Program (EAP) and the International Opportunities Program (IOP). Study Abroad Center is a comprehensive resource and counseling center which helps students take advantage of the many worldwide opportunities that exist for study, work, internship, volunteering, research, and non-credentialsed teaching which relates to their degree programs at UCI.

Professional staff and international peer advisors, who have returned from an IOP or EAP experience, are available to guide students in making appropriate choices of international programs for their educational goals. Group and individual advising is available every day that UCI is in session.

Please refer to the EAP/IOP Preparation Guidelines on the next page.

The schedule listed below consists of courses we recommend students complete by the end of their sophomore year, if they are considering studying abroad in their junior year. This is NOT a complete list of courses students should take each year but the minimum courses necessary to continue making normal progress. Students should refer to the General Education and major specific information or the General Catalogue to find additional courses to take. Students take an average of 16 units a quarter.

After choosing a specific study abroad program, the SSUSA assists students in evaluating the coursework taken abroad (Please see the table below).

UCDC / UC SACRAMENTO ACADEMIC INTERNSHIP PROGRAMS
The UCDC Academic Internship Program is offered during the Fall, Winter, and Spring quarters. Students who intern in D.C. during the academic year combine internships with coursework or field research as full-time students. Financial aid eligibility is maintained and may also qualify for the Presidential Scholarship. Students from all majors are encouraged to apply. Juniors and Seniors with a minimum GPA of 3.0 is recommended. For more information on the UCDC Academic Internship Program, please visit: www.dccenter.uci.edu.

The UCDC Summer Internship Program sends students to Washington D.C. during the summer for experiential learning only. Each student admitted into the UCDC Summer Internship Program works closely with the Student Coordinators and Staff Advisors in preparation for the internship application and living experience in D.C. Students from all majors and class standing (including graduating seniors) are encouraged to apply. A minimum GPA of 2.5 is recommended.

The UCI Sacramento Internship Program allows students to experience and explore a wide variety of career opportunities available to them with the convenience of staying close to home (or without traveling out of state) this summer. It is an especially great program for those who are interested in public policy at the state level and want to be exposed to California laws and decisions up close. However, the internship opportunities are not limited to strictly political experiences. This Program is best for students who are looking for an Internship during the summer if they do not want to miss an academic quarter. It is also not an academic program so there will be no coursework involved, however students may be able to receive units for their academic school. For more information, please visit: www.statecap.uci.edu.

CROSS-CULTURAL CENTER
The mission of the Cross-Cultural Center (CCC) is to provide opportunities for University of California, Irvine students to affirm their cultural identities, develop their leadership skills, learn about UCI’s various multicultural communities, and take active approaches in creating a socially just campus community. We strive to create and maintain meaningful dialogues and interactive programs across and between all cultures, particularly those of underrepresented, underserved, and underprivileged backgrounds. We provide a network of support for our diverse students in order to enhance their personal, social, cultural, and academic wellbeing, and promote an environment that encourages intellectual exchange, civility, and the responsible exercise of individual expression.

INTERNATIONAL CENTER (IC)
The International Center is a part of the Office of the Dean of Students at the University of California, Irvine. In addition, the IC staff brings together international and American members of the UCI community for a variety of cultural, educational, social and recreational activities. The International Center helps visiting students, staff and scholars from other countries with any concerns that develop during their time at UCI. International students admitted to a UCI program of study and visiting international faculty, staff and scholars should address correspondence about immigration or other related concerns to the International Center.
