What is a UCInetID?

Your UCInetID is your key to online services at the University of California, Irvine. Many online services, including Webmail, WebReg, EEE, and numerous others, require you to use your UCInetID and password in order to log in.

Your UCInetID is for your individual use only. Do not share your password with anyone.

Activate your UCInetID

Please visit: http://activate.uci.edu/activate/menu.html

- You will need your Student ID number (8 digits), date of birth, and the last 4 digits of your Social Security number.

Gmail (E-mail)

To access your UCI email account, you must first activate your UCInetID. Note that all official notices and emails will be sent to this email address.

- http://www.google.uci.edu/email.html
- Login with your UCInetID and password.

Preferred Name

A preferred name is a name that you choose to be used in place of your legal name on certain university related records and documents. It is how you can be referred to on the campus directory, on class rosters, on your UCI ID card, and on EEE. To set a preferred name, you can use Student Access -> Applications -> Preferred Name and follow the directions to set this.

Writing Emails

Things to remember when you email academic counselors, professors, and other UCI staff/faculty.

1. Please use your UCI email address. To protect your privacy, many UCI offices will only respond to messages from UCI e-mail accounts.

2. Identify yourself. Please include your FULL-NAME, your MAJOR, and your UCI ID NUMBER.

3. Please only email one person in an office or email our office email at socsci@uci.edu.

4. Check your UCI email often. Lots of important information will be sent to this email.
5. Some advising issues really need to be handled in person. We may ask you to make an appointment to discuss your questions or ask you to walk-in to our office.

6. Delete unwanted/old messages. If you do not read your UCI email regularly and clear out old messages and spam, your inbox will fill up and important email messages may be returned and undelivered.

7. Be professional and nice. Treat emails as a formal communication—do not use text messaging abbreviations, slang, four-letter words, etc. if you want to be taken seriously.

8. Be patient. We cannot respond to all emails right away, so make sure you give us plenty of time to answer your question. If you really in a hurry to get an answer, come to our office.

Schedule of Classes (WebSOC)

Schedule of Classes is accessible from http://www.reg.uci.edu. Available online in Week 6 for the upcoming academic quarter.

To find:

Major courses: Select appropriate department, then click “Display Web Results”

General Education courses: Select GE category, then click “Display Web Results”

When selecting courses, pay attention to times, dates, and places. Also write down the 5 digit code which you will need to register through WebReg.

When there are different types of courses listed under the “Type” column, you must enroll in one of each type to maintain your enrollment in the course. Note if there is more than one lecture offered, you must select the corresponding co-class to enroll (See picture below).

NOTE: Lecture A (code 70100) has the labs listed from A1-A9 (codes 70101-70109). An attempt to enroll in lecture A, but in a lab for Lecture B, code 70129 will result in the message “CO CLASS MISMATCH”. You will be dropped from the class once you log out of WebReg, if fail to correct the enrollment error.
Key Terms

**Open:** Class is open to all students who meet the prerequisites (if any)

**Waitlist:** The maximum class enrollment has been reached but students may waitlist the course so that if any currently enrolled student drops the course, the waitlisted students will be automatically enrolled.

**Full:** Enrollment and waitlist positions are full. Student cannot electronically enroll in the course.

Column Definitions, Building Abbreviations, Restriction Codes, and Campus Map are conveniently located at the bottom of each WebSOC results page.

Class Registration (WebReg)

WebReg is accessible from [http://www.reg.uci.edu](http://www.reg.uci.edu). UCInetID and password required. Use WebReg to enroll in classes and make schedule changes during the registration period and the adjustment period. WebReg is available from 6:00 AM to 4:00 AM daily, with occasional down times for special circumstances such as final grade update.

After logging in with UCInetID and password, you should see a similar menu as shown in the following page.

**Video Tutorial:** [http://youtu.be/IzOLwzxGxG0](http://youtu.be/IzOLwzxGxG0)

Enrollment Window
(Viewable Monday of Week 7 for upcoming academic quarter)

- Indicates first time you are allowed to enroll in courses.
- When your Enrollment Window opens, you have continuous access to the Enrollment Menu for the next 48 hours.
- After the 48 hours, you may only access WebReg between the hours of 7:00 PM to 7:00 AM.

Fee Status
- Indicates the last day fees are due and whether you have paid them.

**Note:** if you fail to pay by the deadline, you will be dropped from all of your classes.

Study List
- Displays courses currently enrolled in.
Enrollment Menu

How to Enroll in Courses

To enroll: Select “Add”, input the 5 digit code from WebSOC, and then click “Send Request.”

To drop: Select “Drop”, input the 5 digit code from WebSOC, and then click “Send Request.”

To change grade option/units: Select “Change”, input the 5 digit code from WebSOC and change request, and then click “Send Request.”

Once changes have been submitted, the system will indicate if further action is needed or if there are any problems. As the following image demonstrates, enrollment in Sociology 1 is not complete until the student enrolls in the corresponding discussion section.
Waiting List Menu

- When courses have reached the maximum enrollment, students may waitlist the course if the option is indicated on WebSOC. When you waitlist a course, you are not enrolled but rather placed on a list of students who will be automatically enrolled based on their order on the waitlist as enrolled students drop the course.

- Similar to the Enrollment Menu, in order to remain waitlisted for a course you must waitlist each type of class offered.

- You will be informed through your UCI email if you are enrolled in the course. Make sure to check your UCI email regularly.

- If you no longer wish to enroll in the course, please remove yourself from the waitlist to avoid being accidentally enrolled in the course should enough enrolled students drop. It is your responsibility to make sure that your official class schedule accurately reflects the courses you are taking.

Automatic log off* will result if
Exceeding the maximum time (3 minutes of idle time and 12 minutes of activity)
Minimizing the window Hitting the <BACK> button “An automatic log off may result in a delay in disconnecting WebReg from a record resulting in the message “Student record in use, please try again in a few minutes.” If this happens, wait about 3-5 minutes then try again

Student Billing System

Current Account
This is the Current Account view you’ll see on ZOT Account Online. It shows the status of your registration fees, previous and current balances, future credits and debits, minimum amount due, as well as details of all transactions.

You will not receive any paper bills. Instead, it is your responsibility to check your bills online at https://zotaccount.uci.edu/

Billing Statements (ZOTBills)

Billing statements, called ZOTBills, are produced monthly for accounts that have activity or have balances greater than zero. If your account has a balance due or has had activity, your UCI email account will receive an email message reminding that you can view your most recent monthly bill, your current account information, and pay your bill electronically on ZOT Account Online.

If your account had no activity and the balance due is $0.00, you will not receive an email, but you can view account information on ZOT Account Online twenty-one hours a day, seven days a week. Your ZOTBill is what you see in the Current Account view on ZOT Account Online.

Contact Campus Billing Services: (949) UCI-BILL (824-2455)

Payment Instructions

The Amount Due on the ZOTBill is the minimum payment amount required. Payments can be made electronically from your ZOT Account Online, or by check or money order drawn on U.S. funds and made payable to the Regents of the University of California or UC Regents. Payment must be received by the Cashier by the due date to avoid late charges and other potential consequences.

Contact Central Cashier: (949) 824-6916
Registration and Enrollment

Registration fee payment (either electronically or by check or money order along with a payment stub from your ZOT Account Online) must be received by the Central Cashier by 4:00 PM Pacific time on the fee deadline date. If the full amount of registration fees is covered by financial aid or a combination of aid and waivers, and you have enrolled in the Minimum Required Units (MRU), your fees will be paid automatically. If you have partial fee coverage, submit the amount due to the Central Cashier. Failure to meet the fee payment deadline will cause classes added via WebReg to be dropped and late service charges to be assessed.

Contact Registrar: ☏ (949) 824-6124

Health Insurance

Undergraduate Student Health Insurance
As required by the UC Regents, all undergraduate students are assessed for health insurance as part of their student fees. If you have comparable, verifiable health insurance, you may apply for an exemption (waiver) of this fee using an electronic form available on ZOT Account Online. All waiver applications are handled through ZOT Account Online and instructions are provided. Waivers are due the Friday preceding the fee payment deadline.

Additional information on the waiver process is available from the Student Health Center. Contact Student Health Center Insurance Office: ☏ (949) 824-7093, ☏ (949) 824-4042, or ☏ (949) 824-9415

Student Access
Through Student Access, students can view and update their information including past and present coursework, address, view grades, etc.

www.reg.uci.edu/access/student/welcome/

DegreeWorks
This is essentially an online “degree check.” You can refer to DegreeWorks on Student Access to see the progress you are making towards your requirements to graduate. It informs you of General Education, University, School, and Major Requirements.

DegreeWorks does not always update immediately, so for the most up-to-date information, come into SSUSA for academic advisement.

How long do I have to Add/Drop/Change Classes? To drop or add or change the grading option on a course, you use WEBREG at www.reg.uci.edu/registrar/soc/webreg.html

Dropping a Course
The deadline to DROP a course is Friday at 5:00 PM of week 2 in the current quarter.

Adding a Course
The deadline to ADD a course is Friday at 5:00 PM of week 2 in the current quarter.

Changing a course grading option (Grade to Pass / No Pass or Pass / No Pass to Grade)
For majors in the School of Social Sciences, the deadline to change your grading option is by 5:00 PM of week 6 in the current quarter. The Dean’s approval will not be given after week 6. Beginning week 3, you will have to submit this request through Student Access - > Enrollment Exception.

When can I re-take a class? How many can I re-take?

• If you receive a grade of “C-” or lower, you can repeat a course.

• The more current grade you receive will replace the original grade in the overall GPA calculation. Original grade will remain on your transcript.

• First 16 units of courses repeated will replace the original grade in the overall GPA. Courses after the 16 units will be averaged.

**Academic English**

You will be required to take the **Academic English Test** and complete the appropriate Academic English (AcEng) courses before you can take Writing 39A.

**Who needs to take the Academic English Placement Test?**

**General guideline:**

A student is required to take the AcEng test if his/her first or native language is not English AND:

- has scored 430 or less on SAT Reasoning Test (Writing section) or did not take this test
- Analytical Writing Exam result indicates that AcEng test is necessary/needed
- student is an international student and has not satisfied the ELWR Requirement (if you think you have satisfied it in another way, contact academic counselor)

**When should a student take the Academic English Test?** As soon as possible! It is best to take the Academic English Test as soon as you see that it is offered so that you have improved course options. Check the Testing Center website for dates and to sign up for your test: www.testingcenter.uci.edu.

Please remember that the Academic English Test may only be taken one time. **The AE test may not be repeated.**

**What happens after the test?** Within a few weeks after the exam, you should be able to check your results.

A student can be placed into:
- AcEng 20A – 5 units (P/NP only)
- AcEng 20B – 5 units (P/NP only)
- AcEng 20C – 5 units (P/NP only)
- AcEng 20D – 5 units (P/NP only)
- AcEng 22A: Academic English Reading and Vocabulary – 2 units (P/NP only)

**AcEng 22A:** This is a READING course. Not all students will be required to take AcEng 22A. A student is required to take AcEng 22A if the AcEng test score shows that he/she needs extra help in reading. This course can be taken along with any of the AcEng 20A/20B/20C/20D courses that he/she placed into.

**AcEng 20A/20B/20C/20D:** Student must enroll in required AcEng course no later than the 2nd quarter (Winter Quarter of 1st year!). Students are required to complete these courses within six quarters and before they enroll in the Writing 39 series.

A student can only have a maximum of 12 units of Academic English courses that will count towards graduation.

Whom do I speak with? It depends on what you need! The School of Social Sciences does not assign specific advisors so you can meet with any one of our Academic Counselors or Peer Academic Advisors to find the answers you need.

**Front Desk (Walk-In)** A Peer Academic Advisor and an Academic Counselor to answer quick questions, direct you to the correct resource, schedule appointments with Academic Counselors, and provide forms regarding excess unit request, prerequisite clearance, change of majors, post-quarter add/drop/changes, and part-time student applications.

**Peer Academic Advisors (Walk-In)** Questions regarding unofficial degree checks, class schedules, general education, school, and major requirements, change of major process, petitions, and application to graduate.

- To talk to a Peer Academic Advisor you may come in during office hours for walk-in advising.

**Academic Counselors (Appointment/Walk-In)** Official graduation degree check, petitions, academic contracts or if you have any sort of IGETC related questions.

- Appointments with Academic Counselors are only scheduled for declared students who are majors in the School of Social Sciences. To schedule an appointment with an Academic Counselor please call (949) 824-6803.

**Appointments**
Appointments with Academic Counselors can be made beginning in week 2 every quarter. No appointments available during finals week or during the summer.

**Add/Drop/Change Policy**
To drop or add or change the grading option on a course, you use WEBREG at www.reg.uci.edu/registrar/soc/webreg.html

**Dropping a Course**
The deadline to DROP a course is Friday at 5:00 PM of week 2 in the current quarter.

**Adding a Course**
The deadline to ADD a course is Friday at 5:00 PM of week 2 in the current quarter.

**Changing a Grade Option**
(Grade to P/NP or P/NP to Grade)
For majors in the School of Social Sciences, the deadline to change your grading option is by 5:00 PM of week 6 in the current quarter. The Dean’s approval will not be given after week 6. Beginning week 3, you need to submit a grade option change through Student Access (Enrollment Exception) and not WebReg.

You are allowed a total of 4 units as P/NP in each quarter.

**Retaking Courses**
Classes cannot be retaken unless the grade earned was a “C-” or lower. The first 16 units retaken will replace the grades and units completely when calculated into the UCI GPA. The most recent grade will always replace the previous grade regardless of which grade is better, if it is within the first 16 units retaken. After the first 16 units, the old grade and the new grade will be averaged when calculated into the UCI GPA. The original and subsequent grades will all remain noted on the transcript.
Academic Probation/Contract
Good academic standing at UCI is when your quarter GPA and UC cumulative GPA are at least 2.0. If either GPA falls below 2.00, you should contact the Social Sciences Undergraduate Student Affairs Office as soon as possible about your academic status.

What happens if my GPA is below a 2.0?

Academic Probation
• If you have one quarter with a GPA below 2.0

Academic Contract
• Two consecutive quarters with GPA below 2.0 or
• Overall GPA below 2.0 (1.8 or less)

Academic Dismissal from UCI
• Three consecutive quarters with GPA below 2.0

You will be sent a courtesy email about your academic status. But if you do not get the email and know you have a GPA below 2.0, you should still come to our office or schedule an appointment with an Academic Counselor. We are here to help you.

Academic Dishonesty

ACADEMIC DISHONESTY is NOT TOLERATED so DON’T DO IT!

The UCI General Catalogue has an explanation of your responsibility to be academically honest as an undergraduate. http://catalogue.uci.edu/appendix/#academicdishonestytext

All incidents of dishonesty are reported and recorded within the student’s major, the academic unit that offers the course AND the campus-wide reporting system.

The following are examples of what is considered dishonest acts:

• Cheating - Looking at someone’s test, giving someone your paper to look at or giving someone your test from a course.

• Dishonest Conduct - Stealing a test, forgery, having someone else do your work for you.

• Plagiarism - Copying from a source without proper notation (e.g. internet or book)

• Collusion – Knowingly and intentionally helping another student perform any of the above acts of cheating, plagiarism, or dishonest conduct.

• Examples of consequences for dishonest acts
  ✓ Failing an assignment
  ✓ Failing the course
  ✓ Suspension from UCI
  ✓ More than one incident, dismissed from UCI

Consequences are at the professor’s discretion. Read the syllabus for more information.

Program in Academic English / English as a Second Language

The Academic English/English as a Second Language Program offers English language courses for registered undergraduate and graduate students at UC Irvine. They offer classes in academic writing, reading and vocabulary development, pronunciation, conversation, and grammar. They also offer assessments, guidance, and web-based resources for students. Undergraduate students frequently comment that the reading and writing demands of UCI courses are very challenging. The English language services that the Program in Academic English offer are designed to help students strengthen their English skills to succeed at UCI. Academic English 20A-B-C-D and 22A are courses for students who have been admitted to UCI and whose scores on the Academic English Placement Test indicate the need for additional work in English as a Second Language.

Research opportunities are available not only from every discipline, interdisciplinary program, and school, but also from many outside agencies, including national laboratories, industrial partners, and other universities. Opportunities are listed on the UROP website, and distributed through various e-mails throughout the academic year. Students interested in receiving more information and individualized assistance are encouraged to contact the UROP Office to set up an advising appointment.

Student Health Center
Effective Fall Quarter 2001, the Regents of the University of California instituted health insurance coverage as a condition of enrollment for all undergraduate students. This insurance is now included in your student fees and enrollment in the plan is automatic when you pay your fees. You may waive out of this plan if you can demonstrate comparable and verifiable health coverage that meets the campus’ minimum standards for insurance. (Refer to “Health Insurance”)

The Student Health Center is the primary care facility for students covered by the USHIP. In order to take advantage of your insurance plan, all medical care must begin at Student Health. If you need a medical service that we cannot provide, you will be referred to a qualified provider in the community. If you are a member of USHIP, the cost of your medical care will be billed directly to your insurance plan. Students who waive out of the plan, but use Student Health, will pay at the time of service and will be given an itemized receipt they may submit to their insurance carrier for reimbursement.

UCDC / UC Sacramento Academic Internship Programs
The UCDC Academic Internship Program is offered during the Fall, Winter, and Spring quarters. Students who intern in D.C. during the academic year combine internships with coursework or field research as full-time students. Financial aid eligibility is maintained and may also qualify for the Presidential Scholarship. The UCDC Summer Internship Program sends students to Washington D.C. during the summer for experiential learning only. Each student admitted into the UCDC Summer Internship Program works closely with the Student Coordinators and Staff Advisors in preparation for the internship application and living experience in D.C. Students from all majors and class standing (including graduating seniors) are encouraged to apply. A minimum GPA of 2.5 is recommended.

The UCDC Internship Program allows students to experience and explore a wide variety of career opportunities available to them with the convenience of staying close to home (or without traveling out of state) this summer. It is an especially great program for those who are interested in public policy at the state level and want to be exposed to California laws and decisions up close. However, the internship opportunities are not limited to strictly political experiences. This Program is best for students who are looking for an Internship during the summer if they do not want to miss an academic quarter. It is also not an academic program so there will be no coursework involved, however students may be able to receive units for their academic school. For more information, please visit:
