◆ Change of Major Requirements

<https://changeofmajor.uci.edu/school-of-social-sciences/>

- Completion of Math 2A, Math 2B, Econ 20A and Econ 20B with an average GPA of at least 2.5 in these four courses. In addition, they must all have a grade of “C” or better.
- Cumulative GPA of at least 2.0.
- Previous academic quarter GPA of at least 2.0 (excludes Summer Session)

◆ Double Majors with Mathematics (School of Physical Sciences)

For those students who pursue a double major with Business Econ or Econ AND Math, please note the following:

- Math majors with a concentration in *Mathematical Finance* may only overlap the following: Econ 20A-B, Econ 122A and Econ 105A-B-C/Econ 100A-B-C (contact Physical Sciences to see if Econ 100-series is allowed for use in your Math major) only.
- MAY NOT OVERLAP: Math 176/Econ 135, Econ 132A, and Econ 134A (courses may not be used for the Business Economics or Economics major at all).
- Students pursuing these double majors should check-in with academic advisors in Physical Sciences, as well as Social Sciences for progress checks and not rely on DegreeWorks.

◆ Clearance into Courses

Especially for our transfer students or those students who took prerequisite courses at other schools.

- WebReg will not recognize prerequisite courses taken from non-UCI schools or from A-Level exams.
- To request course clearance, please contact the Social Sciences Student Affairs Office by Week 7 or submit a “Request for Prerequisite Clearance” found on:

<https://www.undergrad.socsci.uci.edu/policies/index.php>

◆ Honors Program in Economics

<http://www.economics.uci.edu/undergrad/honors.php>

Admission Requirements:

- 3.4 GPA or better in upper-division Economics courses and an overall GPA of 3.2 or better
- Completion of ECON 100A-B-C
- Must be completed OR at least enrolled in for Fall: ECON 122A-122B or ECON 123A-123B
- Undergraduates seeking admission to the program must apply NO LATER than the spring quarter of their junior year. Applications are available at: <http://www.economics.uci.edu/undergrad/honors.php>

Requirements for the Honors Economics:

Students in the Honors Program must complete an honors thesis during the two-quarter Honors Colloquium:

_____ **Econ H190A** (offered in Fall)

design the project, conduct the preliminary research, and begin to write the paper

_____ **Econ 190BW** (offered in Winter)

complete the research project, write the honors thesis, and present the results

Completion of the program will satisfy the upper-division writing requirement.
